

STRIKE *Gold*

The Gold Nugget tangerine is among the sweetest of all citrus fruits. Its bright orange, bumpy skin hides incredibly juicy flesh. These seedless cousins of the Satsuma mandarin are typically available February-April and are perfect for snacking.

Cuddle POWER

Pet owners gain more than companionship when they adopt a cat, dog, bird, or snake. Studies show that pet ownership is linked to decreased blood pressure, reduced loneliness, and lower anxiety. Pets also give their owners more opportunities to exercise and socialize.

CHECK OUT YOUR *Library*

National Library Week (April 9-13) celebrates the dynamic modern library: A place where you can check out books, access technology, meet your community, learn new skills, and even borrow tools and equipment. Drop by your local library today and see what it has to offer.
